

EAGLE SCREEN DECK PIPE COVERS

PROTECT YOUR PIPE!

American Eagle Manufacturing's pipe cover innovation is the ultimate in protection, design and manufacturing versatility to meet your requirements. With our new patent pending inserts that allow for easy installation, we have the most secure pipe cover in the industry. Being the industry leader in proprietary blended urethanes for abrasion and impact, we give you the only pipe cover you will ever want to buy with more flexible size options then ever before.

Patent Pending

IMPORTANT!!!

Pipe sizes are nominal. We manufacture these Pipe covers with an I.D. -0 and up to +.500. Always confirm your pipe finished O.D. Before ordering.

48"
